Pastoral Coaching Agreement

I agree to employ Jayson Graves, ordained through Harvest Church International as a Pastoral Recovery coach. I understand that I can utilize Jayson to guide me in the following areas:

1. Jayson will provide informational and educational input in developing a recovery plan. I understand that while this is not counseling, this may include discussion of the counseling and 12 step recovery work that I am involved in.
2. Jayson will provide testing as needed in terms of spiritual and personal development. No tests will be administered unless I authorize the use of various testing materials.
3. All information, notes, and test reports are regarded as personal and confidential and will not be released without my written authorization.
4. I agree to 50-minute phone calls a mutually agreed upon frequency and time. I will schedule that appointment through email or phone with Jayson (help@healingforthesoul.org) or his assistant, Shelly Warren (info@healingforthesoul.org). I understand that I can schedule appointments if needed before the mutually agreed upon time.
5. I understand I can cancel a phone consultation without charge if I give 48-hour notice through email or a phone call.
6. The fee for phone consultation is \$129 per 50-minute session. If reports or letters are needed, the fees will be based on the time taken at \$129 per hour. If I choose to use a credit card I agree to have my card billed the day before the appointment.
7. I understand that any information or discussion of medication and/or supplements is for information and educational purposes only. I will always consult my prescribing physician prior to making any changes with medication and/or supplements.
8. I understand I can terminate this agreement at any time.
